

This is ridiculous. You continue to penalize good broadcasters for the misdeeds of a few.

A small station like ours can't afford this equipment let alone the manpower to do this.

In the past 15 years in this business I have never been asked for a tape due to a complaint.

With the outrageous fines you have now imposed, I would think that the free market will take care of this. If these people continue with the offensive programming, I would think they would do this to protect themselves.

Stop putting it to the little broadcaster who is doing good things!
